NATIONAL SPONGE CAKE DAY AUGUST 23

On August 23rd, enjoy National Sponge Cake Day with the quintessential classic of the cake world. This airy queen of teas is the guest of honor, but we get the pleasure of tasting!

#SpongeCakeDay

One of the trickiest cakes for bakers to master, a perfect sponge stands tall. Another balancing trick for bakers includes maintaining a fine crumb while keeping the cake moist. If you enjoy layering berries and whipped cream, the sponge handles this task beautifully.

Find your favorite fruits to pair with fresh sponge cake at your local market!
